Stonocar 1957

PRESENTED BY
THE SENIOR CLASS
OF
STOVALL HIGH SCHOOL
Stovall, North Carolina

DEDICATED *to*

THE FACULTY MEMBERS
OF
STOVALL HIGH SCHOOL

Little did we realize twelve years ago that our teachers would play such a large part in our lives and that we would owe them so much. For twelve years you have been our guiding lights, encouraging us when we needed help and praising us when we succeeded. You have influenced us to do our best at all times. We realize that without your efforts we would not be what we are now. You have helped to mold our characters and to make us better men and women, facing the future with confidence, trying to succeed.

We would like to take the opportunity now to express our appreciation to you for the many things you have done for us.

So to the faculty members we dedicate STONOCAR with grateful hearts for your help in making graduation possible for us.

OUR MOTTO

"It is no use waiting for your ship to come in
unless you have sent one out!"

OUR POEM

THE END OF OUR SCHOOL DAYS

Goldie Clack, Class Poet

Our school days are coming to an end
We're leaving behind our teachers and friends.
The hours that were shared of work and play
Seems as if that began only yesterday.

We had hours of happiness, sorrow, and tears
But we kept a strong hold through the past years.
Temptations came along but we kept a firm stand
And looked to our parents and teachers to lend us a helping hand.

School prepared us for the following years
And gave us courage to wash away our fears
For you who are following in our pathway
We leave you these words, "have hope, courage, and faith."

We leave our past behind to start our life anew
We're ready to face the days when the skies may not be blue
To our friends, teachers and classmates we sadly say goodbye
And turn to face the future where happiness may lie.
